STUDY ABROAD
PATHUM THANI, THAILAND
THAILAND UNDERGRADUATE RESEARCH

DESCRIPTION
Spend 8 weeks with 5 of your fellow Clemson’s students conducting mentored research at Chulalongkorn University or the Asian Institute of Technology in Bangkok, Thailand. On the evenings and weekends, all of Bangkok and South East Asia is open to you! You can try new foods and learn about the nation’s history and culture. You can explore downtown and the different cultural hubs in the city, interacting with people of many diverse nationalities. All this while getting great work experience and connecting with top professors.

PROGRAM HIGHLIGHTS
• Visit the Tiger Temple
• Enjoy a catered dinner and cruise on the river
• Explore Bali (Indonesia), Malaysia, Borneo, Thailand, Hong Kong, Macao, Taipei, etc.
• Take a cooking class and learn the cultural cuisine
