

# STUDY ABROAD

## GERMANY & FRANCE

### BME PRE-HEALTH PROFESSIONAL DEVELOPMENT

#### DESCRIPTION

Are you interested in a career in health care, traveling abroad and learning about health from a global perspective? How about gaining professional development while in Germany and France? You can do all of these and earn 6 credits. Spend three weeks in the Alsace region of France, Heidelberg, Germany, and beautiful Paris this summer!

#### PROGRAM HIGHLIGHTS

- Tours include biomedical research institutions, medical facilities, and EU Parliament and the US Consulate visits.
- Students will be exposed to global professional development, intercultural experiences, and cultural intelligence and develop values for appreciation of diversity and sustainability and the ability to become world citizens and gain leadership experience.
- Students will spend 10 nights at the European Study Center, Château de Pourtalès, in Robertsau, France.
