CLEMSON UNIVERSITY COLLEGE OF ENGINEERING, COMPUTING AND APPLIED SCIENCES

STUDY ABROAD
GERMANY & FRANCE

BME: BIOMEDICINE AND GLOBAL PROFESSIONAL DEVELOPMENT - MAY

DESCRIPTION

Are you interested in a career in health care, traveling abroad and learning about health from a global perspective? How about gaining professional development while in Germany and France? You can do all of these and earn 6 BIOE technical elective credits. Spend three weeks in the Alsace region of France, Heidelberg, Germany, and beautiful Paris this summer!

PROGRAM HIGHLIGHTS

- Tours include biomedical research institutions, medical facilities, and EU Parliament and the US Consulate visits.
- Students will be exposed to global professional development, intercultural experiences, and cultural intelligence and develop values for appreciation of diversity and sustainability and the ability to become world citizens and gain leadership experience.
- The program includes 4 nights in Heidelberg, Germany, 10 nights in Strasbourg, France and 5 nights in Paris, France.
