LEADERSHIP IN LONDON

Discover Your Leadership Potential in London! Leadership on Location is a College of Engineering, Computing and Applied Sciences Cornerstone Experience designed to build transferable leadership skills through immersive, real-world experiences. Leadership in London brings that experience to one of the world's most dynamic cities during Spring Break.

PROGRAM HIGHLIGHTS

- **Global Leadership Experience**
  - Engage with industry leaders + explore London's innovation hubs
  - Build confidence, cultural fluency, and career-ready skills
  - Earn 3 credit hours (ECAS 2910) toward the Engineering Leadership Minor
- **What You'll Gain**
  - Hands-on leadership training in a global setting
  - Behind-the-scenes access, industry tours, and site visits
  - Unforgettable cultural experiences

"I feel like a much stronger version of myself… more confident in my path forward as a leader and an engineer."

— Caroline Coffey, Bioengineering
