INTERNATIONAL BIOETHICS & BIOENGINEERING

DESCRIPTION

Study biomedical, social and healthcare ethics with international faculty. Film, media and theory engage multi-disciplinary student teams to explore and debate bioethical topics. Visit local healthcare and research facilities where bioethics play a critical role in professional decision making. Explore cultural sites and attractions in northern Spain while learning Spanish.

PROGRAM HIGHLIGHTS

- Cultural tour of Pamplona
- Visit to the Medieval Castle in Olite
- Immersive visit to the Guggenheim Museum in Bilbao
- Full day trip to San Juan de Luz on the coast of the French Basque Region
- Engaging visits to Cima, Adacen, CUN+Laboratory
- Enjoy a delicious tapas tour of Pamplona
- Take in the beauty of the city during a visit to a regional winery
