

A scientist walks into a bar...

» WHAT

Science on Tap is a forum where people come to learn about and discuss recent discoveries in science and technology while having fun! An expert will give an informal talk for 20 – 30 minutes, followed by Q&A and discussion. Attendees can get up, eat or refresh their beverages at any time. Science on Tap is FREE and open to all ages!

» WHEN

Science on Tap is held from 6:30 – 7:45 p.m. the last Tuesday of each month.

» WHERE

Coffee Underground — 1 E. Coffee St., Greenville

Sponsored by Clemson University College of Science, the Clemson University Life Sciences Outreach Center and Coffee Underground.
