### Clemson Honors College Portal

As an Honors student in good standing, you can apply for a number of opportunities. On this site, you will find applications for:

- Honors Contracts
- Experiential Learning Grants (EXLs)
- Conference Travel Grants (CTGs)
- Departmental Honors Research Grants (DHRGs)
- Duckenfield Scholarship
- Honors In Action

Please use the [grant budget form templates](#) found in the **"Supporting Documents"** on the right side of this page for EXLs and DHRGs. The [CTG Reimbursement form](#) is also required when submitting reimbursement information for Conference Travel Grants. It is recommended that you download the required budget template forms prior to submitting your application.

**NOTE:** You may want to use a browser other than Safari when accessing applications in this system.

### Honors Contracts

Honors contracts allow Honors students to work individually with faculty members to create specialized Honors courses.

Students simply enroll in a non-Honors course, then work out an agreement with the instructor to make additions or modifications to the course syllabus and requirements. All contracts must be approved by the Honors College.

Instructions on how to complete an Honors Contract can be found [here](#).

### Honors Grants

Honors Grants include Experiential Learning Grants, Conference Travel Grants, and Departmental Honors Research Grants. In order for students to receive grant funds, they must be registered with Zelle, using their Clemson.edu email address. Please go [here](#) to register.

Frequently used forms in Honors Grants are found below in the Support Documents.

Description

Honors contracts allow Honors students to work individually with faculty members to create specialized Honors courses.

Students simply enroll in a non-Honors course, then work out an agreement with the instructor to make additions or modifications to the course syllabus and requirements. All contracts must be approved by the Honors College.

Students may earn Honors credit for a 3000- or 4000-level course by means of an Honors contract, and can contract up to two courses throughout their membership in the Honors College. Exceptions to these rules may be approved on an as-needed basis by the Honors College.

Electronic Signature and Agreement

It is recommended that you meet with your course faculty member to discuss your contract prior to submitting this form. Please continue if you wish to submit your form. Please click Save if you need to set up an appointment with your faculty member to discuss your contract.

Have you discussed the terms of the contract with your course faculty member? \*

☐ I have discussed the contract with my course faculty member prior to submitting this form.

☐ I have NOT discussed the contract with my course faculty member prior to submitting this form.

Understanding of procedures \*

I understand that my course faculty member has the right to review and make changes to my proposed contract request. It is my responsibility to review those changes. After the contract is approved by both the faculty member and Honors College designee, I understand that I will be enrolled in an HON 4000 section by the Honors College Registration Coordinator. By remaining enrolled in this course after the deadline to drop a class without a W, I am agreeing to the final version of the Honors Contract as approved by the faculty member and the Honors College.

☐ Yes, I understand.

Electronic Signature \*

By typing your name below, you are signing that this application is accurate, you have consulted with your faculty member, and you agree to the Honors Contract here within.

Approvals

Please re-enter the email address for your instructor.
