Department Name or Company:

The following Terms and Conditions shall be adhered to:

- All equipment to be used has been inspected and is in good repair.
- Floor and surrounding area are clear of combustible materials within 35 feet of the work area.
- Materials that cannot be moved are protected with non-combustible material or cover.
- A responsible fire watcher has been assigned to watch for dangerous sparks in area, as well as floors above or below and will remain on the job site for 30 minutes after completion of hot work.
- Appropriate fire extinguishing equipment is on site.
- The sprinkler system, where provided, is in service.
- Appropriate arrangements have been made with Simplex-Grinnel (864-444-5319) to prevent the accidental activation of fire detection and alarm systems.
- There are no flammable liquid(s), vapor(s), dust(s), lint(s), or equipment containing such materials in the work area.
- Building Security Coordinator notified.
