Select from ANTH 3100, 3310 or 3150.

Select 18 credits from ANTH 3200, 3320, 3350, 3710, 4030, 4170, 4190, 4210, 4310, 4510, 4660, 4740, 4950, 4960, 4990, BIOL 3350, 4350, 4660, 4740, CHIN 4180, JAPN 4170, LANG 3020, 3710, WRL 4310.

Practicing Anthropology courses could include ANTH 4950, 4980, or an approved Field School, Internship, or Study Abroad experience.

**COMMUNICATION**

**Bachelor of Arts**

The Bachelor of Arts in Communication provides a thoroughly integrated yet individual degree program that prepares students for careers in business, government, and public sectors. In addition, the program provides a foundation for graduates who wish to pursue advanced degrees in the humanities, social sciences, business, and law. Through their coursework and extracurricular experiences, Communication majors develop a set of skills in oral, written, and visual communication that enables them to research, design, present, and evaluate messages across diverse contexts and from a variety of platforms, including social media and digital communication technology.

Students may change majors into the Communication program based on approval of a committee of faculty from the Department of Communication. The deadline for applying for a change of major during the fall semester is September 15, with decisions made by October 1. For spring semester changes of major, the deadline is February 15, with decisions made by March 1. The Department of Communication accepts a maximum of 30 changes of major per year. To qualify for acceptance, applicants should have completed 15 credit hours including ENGL 1030 and COMM 2030 (with a C or better). All students requesting a change of major during the fall semester must have a grade-point average of 2.5 or higher. An application form and a writing sample are also required. Detailed information is available from the Communication Department, 408 Strode Tower or the department website: http://www.clemson.edu/cbshs/departments/communication.

CRIMINAL JUSTICE

Bachelor of Arts

The Bachelor of Arts degree in Criminal Justice is an interdisciplinary degree that prepares students for a variety of professional careers related to law enforcement, social services and criminal investigation. In addition, the degree provides excellent preparation for graduate education in criminology and public policy. The major offers two concentrations: the General Concentration and Leadership Concentration. The General Concentration allows students to pursue a science-oriented education while still selecting from a wide variety of course options. The Leadership Concentration prepares students specifically for leadership or management roles in their field. The Justice Studies degree requires a total of 121 credits, including 38 credits in classroom work on the topics of criminal and social justice as outlined in the curriculum. In addition, students take a modern language and nine additional credits of relevant social science or humanities courses. These additional courses provide students a greater depth and broader diversity of skills and knowledge useful for careers in these fields. Courses that fulfill General Education requirements and departmental social science and humanities courses may also fulfill minor requirements.

CRIMINAL JUSTICE

Bachelor of Science

The Bachelor of Science degree in Criminal Justice prepares students for a variety of professional careers related to law enforcement, criminal justice and public policy. The major offers two concentrations: the General Concentration and Leadership Concentration. The General Concentration allows students to pursue a science-oriented education while still selecting from a wide variety of course options. The Leadership Concentration prepares students specifically for leadership or management roles in their field. The Justice Studies degree requires a total of 121 credits, including 39 in relevant courses. In addition, students take 18 hours of math and/or science courses selected from a department-approved list. These additional courses provide students greater scientific literacy on topics relevant to the technical elements of criminal investigations and prepare students for graduate coursework. Courses that fulfill General Education requirements and departmental science and math courses may also fulfill minor requirements.
