6.0 Evidence of Reflection and Self-Evaluation: Written Portfolio
No Description

6.0 Evidence of Reflection and Self-Evaluation: Oral/Electronic Presentation and Panel Questions
No Description

2.0 Unsatisfactory
Very little or no evidence of reflection and self-evaluation was present on the standards and/or revealed little or no awareness of integration among standards; awareness of present development as a professional educator was limited; and no awareness of needs for future personal growth.

4.0 Needs Improvement
Evidence of reflection and self-evaluation was adequate on all or most standards and revealed adequate awareness of integration among standards; awareness of present development as a professional educator; and awareness of needs for future personal growth.

6.0 Proficient
Evidence of reflection and self-evaluation was present on all standards and revealed an excellent awareness of integration among standards; awareness of present development as a professional educator; and awareness of needs for future personal growth.

2.0 Unsatisfactory
Very little or no evidence of reflection and self-evaluation was present on the standards and/or revealed little or no awareness of integration among standards; awareness of present development as a professional educator was limited; and no awareness of needs for future personal growth.

4.0 Needs Improvement
Evidence of reflection and self-evaluation was adequate on all or most standards and revealed adequate awareness of integration among standards; awareness of present development as a professional educator; and awareness of needs for future personal growth.

6.0 Proficient
Evidence of reflection and self-evaluation was present on all standards and revealed an excellent awareness of integration among standards; awareness of present development as a professional educator; and awareness of needs for future personal growth.

Outcomes Linked to Criteria

Criterion: Artifact Representation of ADEPT Standards

No linked outcomes.

Criterion: Portfolio Organization and Writing Quality

No linked outcomes.

Criterion: Evidence of Reflection and Self-Evaluation: Written Portfolio

No linked outcomes.

Criterion: Evidence of Reflection and Self-Evaluation: Oral/Electronic Presentation and Panel Questions

No linked outcomes.
