Work for ClemsonLIFE
Now Hiring Independent Living Assistants for the 2017/2018 School Year!

ClemsonLIFE Independent Living Assistant
Independent Living Assistants (ILAs) play a pivotal role in the ClemsonLIFE program. ClemsonLIFE students live in 4 bedroom apartments in the Lightsey Bridge II apartments on campus. Three ClemsonLIFE students and one ILA live in each apartment.

ILAs are on duty in their apartments M-F 6:30pm - 8:30am during the week and then weekends from 6:30pm Friday until 8:30am Monday with flexibility to accommodate for class and extracurricular involvement. ILAs get two weekends off per month.

ILAs assist ClemsonLIFE students with independent living and social skills in the apartment. Teaching students how to naturally have healthy relationships is a large part of what being an ILA entails!

It’s not all work! As an ILA you not only have plenty of personal time and time to study but also have probably the most fun-filled, exciting job on campus!
