Benefits of ClemsonLIFE™

- Focused on providing students with the skills to live independent and successful lives.
- Provides a safe and welcoming environment for students to learn and grow, as well as make friends, and have the college experience.
- Encourages mentors and volunteers to assist students in developing social skills and friendships throughout the campus and community.
- Students gain employment experience through internships around campus and community.
What is ClemsonLIFE™

ClemsonLIFE™ is a two year certification program offered to students with intellectual disabilities between the ages of 18 and 23.

ClemsonLIFE™ offers a specialized staff who have worked to create a curriculum based on functional academics, developing life skills, employment, and interpersonal skills that will aide our students on campus and beyond.

ClemsonLIFE™ students live on campus in a 4 bedroom apartment with other ClemsonLIFE students and a specially trained Independent Living Assistant.

ClemsonLIFE™ students have use of the University’s dining facilities, attend sporting events, and workout at Fike.

The ClemsonLIFE™ program offers the students the opportunity to participate in activities such as TOP Soccer, Challenger Baseball, Equine Center on campus.
