PROFESSIONAL REQUIREMENTS FOR AN EDUCATION PROGRAM

I understand that to be admitted to the Professional Level of an Education Program, I must have met the following requirements:

1. I must achieve and maintain a minimum cumulative GPR (grade point ratio) of 2.75 at Clemson University.
2. I must, in all field placements, uphold the standards of professional behavior as determined by the College of Education.
3. I must have met ONE of following:
   - Passing scores on all three parts (reading, writing, and math) of the Praxis Core
   - A minimum score of 1100 on the three-part SAT or a minimum score of 22 on the ACT (on tests taken 9/1/16 or later). If you took the SAT or ACT prior to 9/1/16, please see your advisor for related test scores.

The records of students majoring in education are reviewed during the semester in which a student will complete 60 hours to verify that they have met the three requirements. **If the requirements are not met, the student will not be placed in the Professional Level Cohort and will not be allowed to enroll in 4000-level and selected 3000-level education courses until the requirements are met.**
