

Chalk & Wire

Chalk & Wire is the College of Education's system for improving student learning and gathering data to inform decisions and ensure continuous improvement. This assessment and accreditation management system (AAMS) collects information and helps to provide a clear and efficient method for assessing candidates in specified programs.

All returning students who held accounts in LiveText have been provide with new Chalk & Wire accounts. No further action is required.

For **new undergraduate education students beginning Fall 2017** Chalk & Wire is a required purchase in ED 1050, Orientation to Education.
