The 4-H Sporting Clays Tournament is designed to appeal to the broad and growing statewide interest in recreational shooting sports, conservation, hunting and gun safety. Proceeds from the tournament will be used to expand and support South Carolina 4-H Youth Development Programs -- 4-H State and National Congress and 4-H National Conference.

4-H is a community of young people across America who are learning leadership, citizenship and life skills. 4-H is dedicated to teaching those qualities to South Carolina youth and recognizing them for making good decisions and positive contributions to their communities.

Together we are making a difference in the lives of youth! Thank you for your support!
