DESCRIPTION

The Photography contest is for creative students who are interested in demonstrating science through art. Photography and comments will be displayed for judging.

RULES

Individuals

This challenge is for individuals only.

Age Divisions (years of age)

Cloverbud (5-8) | Cloverleaf (9-10) | Junior (11-13) | Senior (14-18)

Age is calculated as of January 1, 2019. If an age division has 3 participants or less, the age divisions may be combined.

Materials | Specifications | Time

A participant in this challenge does not have to be present to win. (Any prizes will be sent to the local County Extension Office for pick up after the event.). Artwork will be showcased at the event, along with category, title, and other related information. Artwork must be submitted online (CLICK HERE) by March 15, 2019 following online registration (due by March 1st). Only one submission is allowed per registration. Additional registrations by the same individual are allowed, but they must submit in different category.

Photograph categories (select one):

1. Agricultural or Biological Sciences – focus on agricultural or biological sciences. Agriculture is the set of activities that transform the environment for the production of animals and plants for human use. Biology refers to any living thing (micro-organisms, fungi, plants, animals).
2. Environmental Science – focus on a component of the abiotic environment (weather, soil, rock, water, air, fire)
3. Structural Design – focus on architecture, engineering, symmetry, or habitat (natural or manmade).

OBJECTIVES

• Youth learn the basics of photography
• Youth present scientific concepts creatively
• Youth communicate and present ideas effectively
• Youth demonstrate their knowledge of photography concepts

HELPFUL RESOURCES

• National 4-H Photography
• Iowa State 4-H Photography

CHALLENGE FACILITATORS:

Patricia Whitener (pwhiten@clemson.edu)
Terri Sumpter (tsumptr@clemson.edu)
Submission guidelines

- A single photograph or digital photo will be accepted for each entry. (No collages)
- Photos may be in color or black & white.
- No edited, digitally enhanced, or altered photos.
- Digital or Film entries will be printed for display in 8X10 size.
- Photos must be the original work of the youth submitting them.
- Photo must have been taken in South Carolina as of January 2018 (within 1 year and 3 months from competition date)
- Photos must have a title. The title should not appear on the front of the picture.
- With each submission include a brief paragraph description of the image including date, location, type of camera or phone used and why the image is appropriate to the category being entered.
- All entries should be submitted online here: https://clemson.ca1.qualtrics.com/jfe/form/SV_2nK6YtDCrvMBwr3

JUDGING

Metric | Placing | Disclaimer

A panel of judges will select a single winner from each age division in each category based on interpretation of the category theme, creativity, originality, and composition. We reserve the right to change the category of your entry if we believe your entry is more appropriate in a different category. Entrants retain all copyrights and equivalent rights, but give Clemson University Cooperative Extension nonexclusive rights to use their names, likenesses, quotes, and submissions for educational publicity and/or promotional purposes.
