### **Clemson University Extension Agribusiness Program Team**

<https://www.clemson.edu/extension/agribusiness/>

The Clemson Extension Agribusiness Team provides information and education on the use of business and economic principles for making decisions involving agriculture, natural resources and communities. Team members consisting of Extension agents, associates and specialists provide targeted educational programming and technical assistance related to agribusiness and promotes the development of economically viable local and regional food systems. Programs and decision tools including enterprise budgets, farm financial analysis, market outlook, farmers market and agritourism development, entrepreneurship, business planning and risk management education are provided for commercial growers, beginning and small farmers, agribusinesses, lenders, and ag professionals for improving profitability and sustainability.

*Clemson University Cooperative Extension Service offers its programs to people of all ages, regardless of race, color, gender, religion, national origin, disability, political beliefs, sexual orientation, gender identity, marital or family status and is an equal opportunity employer.*

## Statewide/National Resources

**Crisis Text Line** <https://www.crisistextline.org/textline/>

Crisis Text Line is free, 24/7 support for those in crisis. Text 741741 from anywhere in the US to text with a trained Crisis Counselor. Crisis Text Line trains volunteers to support people in crisis. With over 100 million messages processed to date, we're growing quickly, but so is the need.

**Farm Crisis Center** <https://farmcrisis.nfu.org/>

A website of farmer-specific resources to assist farmers in crisis.

**Mental Health America of South Carolina** <http://www.mha-sc.org>

Mental Health America, formally known as the Mental Health Association, is the oldest mental health advocacy organization in the nation. It is a grassroots volunteer organization which educates civic groups, churches, the media, elected officials and the public about mental illness. It helps clients navigate the state mental health system and lobbies for sound mental health practices and funding in the S.C General Assembly.

**National Suicide Prevention Lifeline** <https://suicidepreventionlifeline.org/>

A toll-free hotline that provides immediate assistance 24/7 to individuals in suicidal crisis by connecting them to the nearest available suicide prevention and mental health service provider. It is the only national suicide prevention and intervention telephone resource funded by the Federal Government. Website includes suicide warning signs in English and Spanish.

**National Alliance On Mental Illness** <https://www.nami.org/>

A United States-based advocacy group originally founded as a grassroots group by family members of people diagnosed with mental illness. NAMI identifies its mission as being "dedicated to building better lives for the millions of Americans affected by mental illness.

Clemson University Cooperative Extension Service offers its programs to people of all ages, regardless of race, color, gender, religion, national origin, disability, political beliefs, sexual orientation, gender identity, marital or family status and is an equal opportunity employer.
