pesticide exam prep course

Core & Category Five

DECEMBER 7, 2017

A workshop for management professionals pursuing their Category Five "Aquatic Pest Control" commercial pesticide license.

This workshop will include training to assist prospective applicators in preparing for the following licensing exams:

- Core Exam
- Category Five "Aquatic Pest Control" Exam

This workshop will also offer recertification credits to currently licensed commercial applicators.

The cost of this workshop is \$85. Lunch will be provided onsite. The pesticide exam is not included in this registration.

To find out more information on taking the pesticide exam, please visit: www.clemson.edu/dpr

Study materials are not included as part of this workshop; however, materials are recommended for exam prep and will be referred to in this class. To purchase study materials, please contact your local Extension office. Recommended study materials include:

- Core manual, Applying Pesticides Correctly (\$25)
- Category Five manual, Applying Aquatic Herbicides (\$12)

Registration deadline for the workshop is December 1, 2017.

This workshop is hosted by the Clemson University Cooperative Extension Service and Ashley Cooper Stormwater Education Consortium.
