Uploading Videos to YouTube

1.) Create a (free) YouTube account if you do not already have one.
Go to YouTube.com and type “upload video to YouTube” in search bar.
https://www.youtube.com/watch?v=MR-hU8_C9S4

(It currently isn't possible to create a Google Account in the YouTube iOS app. However, you can follow the instructions to create a Google Account on the mobile site.)

2.) Upload your video. Before you start the uploading process, choose your video's privacy settings. In the "Privacy Settings" drop-down menu, there are 3 choices:

1) Public - anyone can view and/or search for your video on YouTube (not recommended).

2) Unlisted - as long as someone has the exact URL for your video, they can view it, but it cannot be found if someone "searches" for it. **This Unlisted option is recommended, unless youth and parents are okay with your video being public.**

3) Private - Do NOT use "Private" setting because the judges will not have access to the video. Only people who you email the video to (that have Google accounts) will be able to watch the video

3.) Copy the exact URL (web address) and record it on your Presentation Contest submission form.
