

This list of Pesticides that have been approved for use on Hemp (*Cannabis* sp.) in Washington state also will be allowed for use on hemp in South Carolina. However, before any pesticide on this list is used in South Carolina, the ***grower must first make sure it is registered for use in the state. Pesticide Dealers also must ensure that any pesticide on this list is registered in SC before making it available for wholesale or retail purchase by growers.***

The Department of Pesticide Regulation makes no recommendations for the use of any pesticide on hemp. This list does not serve as an endorsement of any pesticide or in any way assure the efficacy or safety of any listed pesticide when used on *Cannabis*, the derivatives of which are intended for human consumption.
