

# COVID-19 Volunteer Guidelines

These guidelines were developed with your health and safety in mind. Please contact your program-leading Extension Agent for more information.

## WHEN CAN VOLUNTEER ACTIVITIES RESUME?

Volunteers may return to in-person service during Phase III of Clemson Extension's Return To Work Framework providing all of the following are met:

- Approval from the program-leading Extension Agent and any applicable third party
- Adherence to appropriate CDC Guidelines
- Total people participating in volunteer activity is ten (10) or fewer

## YOUTH

Adults that have routine interaction with youth must abide by Clemson University Youth Protection Policy and Operating Standards.

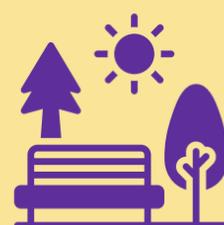

## GENERAL GUIDANCE

- Remain at home if you or anyone in your household is not feeling well or has a fever.
- High risk individuals and those with significant underlying medical conditions are strongly encouraged to stay at home and take measures to limit exposure.
- Wash your hands often with soap and water for at least twenty (20) seconds. Use hand sanitizer if soap and water are not available.
- Avoid touching your eyes, nose, and mouth.
- Try to work independently, keeping six (6) feet or more apart from others.
- Cover your nose and mouth with a mask or other personal protective equipment as a way of diminishing transmission, especially when social distancing is not an option.
- Frequently clean high-touch surfaces including your cellphone/tablet, door handles, restroom surfaces, handrails, tools, etc.
- Refrain from using shared office equipment when possible. If it is necessary to use other's equipment, sanitize between each user.

## OUTDOOR SERVICE

- Groups working outdoors together or receiving instructions should be ten (10) or fewer.
- People should be spaced six (6) feet or more.
- When possible, use your own gardening tools and equipment; shared tools and equipment should be cleaned after each use.

## PUBLIC EDUCATIONAL EVENTS

- Hosts and participants should wear face coverings, with participants expected to provide their own personal protective equipment.
- Advise participants in advance that if they have any symptoms or feel unwell, they should not attend.
- Total people at an event should be ten (10) or fewer in number, all spaced six (6) feet apart or more.
