West, Kerrie Roach, Mallory Daily and Dr. Layfield. We had 13 additional attendees. 12/15 completed evaluation and indicated high level of satisfaction.

- Next workshop ideas and date? Amy suggests doing some sort of social/getting to know you type activity at some point – may be good before membership drive. Zack suggests Amy Scaroni’s PowerPoint instruction. Kerrie asks if we could also incorporate an engagement piece which is especially pertinent with virtual delivery. Zack is to ask Amy about date (end of March) and also the engagement.
 - 2021 AM/PIC Update-Zach Snipes – signed contract with Hilton Garden Inn. Must fulfill 35 rooms with penalty fee if not filled. \$139/night with cooked breakfast. Adjustments will need to be made based on banquet and COVID spacing but hotel will work with us. Lunch at Boone Hall is reserved. Zack is thinking 5-7 tours with smaller numbers of people per tour due to COVID. Hopefully can rent some transportation for those. Zack welcomes help for planning. Fallback will be virtual if we are not able to proceed with in-person.
 - 2021 Fundraising – David DeWitt – David has spoken with Jonathan Croft and usual supporters such as Farm Credit. Will draft a letter and provide to those that have helped fundraise in the past for them to distribute. Zack will send donor list but mentions it may be quite outdated. *Not related to fundraising but Zack suggest the board consider adding a monetary prize for Search for Excellence.  - Current NACAA Bylaws state: Each State Association shall determine the eligibility and qualifications of the individual members.
 - Alana asks if we need to re-word this statement. General consensus is “related field” is all encompassing. If someone asks and you are unsure, bring to committee. Zack asks if we have reached out to SC State. Alana says there was a time it was brought up but was tabled. The group believes we should start

engaging SC State. David indicates there is a relationship through SEAC. Alana will contact Kim Morganello as Public Relations chair about drafting a letter. David will facilitate getting the letter to SC State checking with Dr. Dobbins and Alma Harris and Kathy Coleman.

- Comp Members – Terasa explains this is not a membership but is just a subscription to the magazine. Each association gets two. Group suggests Dean as one and then someone from SC state as the other. David says we could send it to Dr. Whitesides (Director). Alana suggests also notifying the recipients.

4-H Youth Development committee report

SCACAA Board Members,

Happy New Year! I am looking forward to continuing to serve this organization as the 4-H representative. Please don't hesitate to reach out to me with any questions, comments, concerns, schemes, zany ideas, and opportunities for shenanigans (all in the name of serving our great state through Extension programs & activities). Please take note of the following 4-H announcements:

- Job openings are posted for: Laurens County 4-H, Fairfield County 4-H, and a State asst.coordinator's position for the 4-H Pinckney leadership program.
- Clemson Cooperative Extension has been selected as the lead land-grant university partner for the 2021 4-H STEM Challenge – Space Exploration!!! National 4-H Council received eight strong proposals from land-grant universities across the country, making it challenging to select just one. However, after an exhaustive review process conducted by representatives from Council, our team was selected as ideal partners for the 2021 STEM Challenge based on our ability to deliver activity concepts that are fun, easy to facilitate, and highly adaptable. The members of our Clemson design team include: Ashley Burns (PI), Abigail Phillips (Co-PI), Meghan Barkley, David Connick (CU faculty in Astronomy and Physics), Jeff Fellers (FNR Agent), Katie Glenn (CU student and 4-H Alumna), Jeremiah Gonzalez (4-H'er), Carson Marino (4-H'er), Daniel Marino (4-H'er), Katie McCarter (4-H'er), Rosemary Martin-Jones, Dawn Stuckey, Terri Sumpter, and Patricia Whitener.
