

Master Pond Manager Course Syllabus

Use the course syllabus to determine courses and activities involved with the Letter of Completion tracks in Stormwater or Recreational Pond Management.

Fall 2020

The Fall 2020 offering of Master Pond Manager will provide participants with the opportunity to complete the online coursework involved with the Letter of Completion in Stormwater Pond or Recreational Pond Management. There will be no field day associated with this Fall 2020 program. The full certificate track will not be included for Fall 2020. The full certificate track is expected to be offered again in Spring 2021.
