

**Breakout Session: Monday at 10:50am**

### **Benchmarking Panel Discussion**

This panel will feature Chief Financial Officers of major ACC research institutions who will discuss their institution's benchmarking efforts. Current efforts range from the SACUBO Benchmarking Survey to independent efforts that measure non-academic administrative costs. The panelists will discuss their current measurement and benchmarking efforts, how they are measuring the data, and what they hope to achieve through their benchmarking efforts. Learning objectives include understanding financial benchmarking and financial strategy.

**Participating Institutions:** Clemson University, NC State University, UNC Chapel Hill and University of Virginia.
