

To determine your LIFE GPA, complete the following:

College	Transcript sent to Clemson?	GPA		GPA Hours*		Quality Points
<i>Example: Tri-County Tech</i>	<i>yes</i>	<i>3.50</i>	X	<i>12</i>	=	<i>42</i>
Clemson University			X		=	
			X		=	
			X		=	
			X		=	
			X		=	
TOTAL						

(Divide the Total Quality Points by the Total GPA Hours to calculate the LIFE GPA)*

$$\frac{\text{(TQP) Total Quality Points (from all colleges)}}{\text{(TGH) Total GPA Hours* (from all colleges)}} = \frac{\text{TQP}}{\text{TGH}} = \text{_____} = \text{LIFE GPA} = \boxed{}$$
