

**Request for Qualifications**

**Addendum Number 3**

**Construction Manager at-Risk**

**Clemson University Foundation**

**Project Name: Development and Alumni Building**

June 12, 2020

The **Request for Qualifications** as provided for this project is amended as noted below:

1. A question has been submitted regarding the expected construction start date to this project. See the below regarding the project schedule.

The approximate start time for construction is late first quarter 2021 or first quarter of 2022 with the mid-point of construction occurring in the summer of 2022. This schedule is subject to change.

**End of Addendum Number 3**
