

GS6 — REQUEST FOR SENIOR ENROLLMENT IN GRADUATE COURSES

Instructions for Completing Form GS6 — Request for Senior Enrollment in Graduate Courses

Print these instructions for further reference.

Policy: Clemson University seniors meeting the accepted academic standard for graduate work (3.0 cumulative grade point average) are eligible to request enrollment in graduate level courses. Enrollment of seniors in any graduate course is subject to approval by the department offering the course and the Graduate School. The total course workload for the semester must not exceed 18 hours, and the cumulative graduate credits earned by seniors shall not exceed 12 semester hours. The credits and quality points associated with senior enrollment in graduate courses will be part of the undergraduate record. Graduate courses used toward an undergraduate degree cannot be counted toward any graduate degree (including total credit count of 120 minimum). Graduate courses taken beyond the requirements of the undergraduate degree may count toward a graduate degree. Reference: [Clemson University Graduate School Policies & Procedures](#).

Seniors with 3.0 grade-point ratios: Seniors with 3.0 or higher grade-point ratios are eligible to request enrollment in graduate level courses to meet requirements for the bachelor's degree; however, courses used for this purpose cannot be counted later towards an advanced degree. Alternatively, these students may also take courses in excess of the requirements for their undergraduate degrees and may request that these courses be included as a part of their graduate program if they are subsequently admitted to the Graduate School. Courses cannot be taken at the 6000 level if their 4000-level counterparts are required for the undergraduate degree in the same academic major as the proposed graduate degree.

Students seeking to apply course credit toward a combined bachelor's/master's plan should consult both their academic advisor and the graduate coordinator of their intended program about the availability of this option, and should use the [GS6-Bachelor-to-Graduate form](#), "Request for Combined Education Plan," instead of the GS6 form.

Procedure for student: Approval by the Graduate School is required prior to registration in any graduate course. To obtain approval, use the attached Form GS6, Request for Senior Enrollment in Graduate Courses, and return the completed form to [Graduate Admissions](#), E-209 Martin Hall.
