Wednesday, April 8, 2020
Judging: 9:00am-12:00pm; Open Viewing 12:00-1:30pm; Award presentation 1:30pm
Location: Clemson Nursing Building (605 Grove Rd.)

Health Sciences Center-affiliated clinicians, faculty, students and residents are invited to submit poster presentation applications for the Health Sciences Center Research Showcase. Our Showcase will highlight work informing health care and population health innovation. A review committee will select submitted abstracts for poster presentations, and additionally award select posters most meritorious in describing health-directed research.

Submission Guidelines
Applicants are required to submit a 250-word abstract online by 5 p.m. on March 13, 2020. The Abstract Review Committee will notify applicants of presentation decisions no later than March 27, 2020.

Abstract Format
Eligible abstracts (250-word limit) should include the following:

- Lead author name, affiliation and list of additional authors (not included in word limit)
- Purpose statement (goal of the project)
- Methods (Brief description of study design and methods)
- Results (key findings)
- Conclusion (explication of findings applicability to healthcare)

Poster Content
Posters should include the following information:

- Purpose and goals of the work
- Hypotheses and background information or assumptions informing the work
- Clear and sufficiently detailed results allowing the audience to consider the work’s relevance. If proposed work is research in progress, please outline anticipated results and/or preliminary data.
Division of Research and Scholarship

- All author names and affiliations, additionally noting presenter’s contact information; authors who are enrolled in educational programs should be noted (i.e. medical, nursing, graduate students, etc.) on the poster
- Select citations supporting work

**Poster Display Specifications**
Posters should be 36” high by 48” wide. Presenters may distribute handouts or other materials to complement their display. Prisma Health poster templates are available online.

**Day of the Event- Wednesday, April 8**
Presenters should assemble their poster displays by 8:30 a.m. on the day of the event to facilitate committee review, judging and award eligibility. The poster display area will be open at 7:30am for presenters to assemble posters. The review committee will review and score the posters from 9 a.m. to 12 p.m. The committee will recognize outstanding posters in the following categories: Best Overall Research, Best Investigation in Transformative Health Services (e.g. Population Health), Best Investigation in High Value Care, Best Investigation in Basic Medical Sciences, Recognition for Patient Engagement in Research, Outstanding Medical Student Research, and Outstanding Nursing Student Research.

The committee requires an author to accompany their poster for the duration of the Research Showcase from 12:00 to 1:30 p.m. The committee will disqualify unattended posters from award consideration. The award committee will announce poster awards at the program’s conclusion at 1:30 p.m.
