**First Tee National Championship**

After two date postponements last year, we will finally be able to host the inaugural *Tattersall Cup First Tee National Championship*. The tournament dates are June 21-24. The tournament is 54 holes played over three days (Tuesday-Wednesday-Thursday). There is also a practice round on Monday. Forty-eight juniors from across the country will compete in three age divisions.

The course will be closed Monday-Thursday for the tournament. We are working with area courses to obtain blocks of tee times for our “displaced” members. If you would like to play golf during this tournament, please contact us the week prior so we can work to get you a tee time.

As always we will need “tournament volunteers” to drive shuttles and serve as road-crossing guards. If you are available any of these days, we NEED you! Please call the golf shop and let us know when you can volunteer.

**Clemson Tiger Golf Camps**

June is the month for our annual Clemson University golf camps conducted by head coaches *Jordan Byrd* and *Kelley Hester*. Each camp runs from Saturday afternoon through Wednesday mid-day. Course access for the camps require us to stop tee times each afternoon from 3pm until dark and on Wednesday mornings until noon. If you normally play late in the afternoons, that will not be an option Saturday-Tuesday. If you play on Wednesday mornings, that too will not be an option.

The Wednesday morning member group blocks have been pushed back to begin at noon on those two Wednesdays. Please check with your group coordinators for the exact tee times those two weeks of camp. This is all part of being a university golf facility. Thank you for your understanding.

**Super Saturday #4**

This month’s competition will take place on June 19th. If you have been thinking about playing but have not played your first round yet, there is still time to start this month and get three scores in before the season ends in September. Sign-up deadline this month is Thursday, June 17th.

Last month’s low net field winner was: *Jack Mansmann* with a net score of 68.
Course Aerification Maintenance
The Walker Course will be closed Monday, June 28th through Friday, July 2nd for the annual full course aerification maintenance. Greens, fairways, tees, and collars will be punched. Other large projects will also be completed during that week. The course will re-open for play on Saturday, July 3rd. Please remember, we only aerify once a year and summer growing season is the best time to do this maintenance. Full recovery of course conditions normally takes about fourteen days, so keep this in mind when you plan your golf game.

Senior Interclub Update
The Walker Course team moved to 2-1 with a win on May 6th at home against Cobbs Glen Golf & CC. Team Walker was led by Captain Jack Mansmann & Howard Bodenhorn winning their match by a score of 13-7. Joe Hill & Frank Duda also won their match 12.5-7.5. Team Walker traveled to The Patriot Golf Links later in the month and lost their first match of the season by a score of 47-33. Next up is the rematch with The Patriot at home on June 17th. Keep it going guys!

Doug VanWingerden HOLE-In-One!
Congratulations to Doug VanWingerden who scored his first hole-in-one on Saturday, May 8th. The perfect shot took place on hole # 8 from 185 yards with a Ping 4 Hybrid. Witnessing the perfection were: David Patton, Jerry Emory, and Kevin Lasher. Mr. VanWingerden had just joined the member’s hole-in-one club a couple weeks earlier, so he won the jackpot that had grown to $260 since October of 2019. Great shot! Now it’s time for everyone to “re-up” for the next hole-in-one jackpot!

Score Posting Reminder
The handicap committee reviews your golf score posting activity each month. We are aware of a “select group” of individuals who are habitually not posting their scores (or are completely forgetting) on the day they play their round. If you are one of these “select” few, please be aware that the committee is authorized to adjust your handicap downward for member event handicap competitions. Please post your scores on the day you play!

Pool News
The swimming pool opened on Saturday, May 29th for the season. Hours of operation are 10am until 7pm, Tuesday through Sunday. The pool and clubhouse are CLOSED on Mondays. If you would like to schedule private swim lessons or an evening pool party, please contact pool manager: Ally Emerson.

Our Favorite Phone Call of the Month
Caller: I would like to reserve a tee time around 12 noon tomorrow.
Tommy: Okay, we have a 12:10pm time available. Would that be okay?
Caller: Oh no, that’s too late!
**Course Update**

The first half of May was unseasonably cool, especially at night; and the bermudagrass has just not wanted to actively grow. Add in lots of play and the golf course just looks beat down. We are doing some rolling cart restrictions, keeping carts on the path on one hole on the front and one hole on the back each day to try to help the situation. The warmer weather the last few days of the month seems to have jump started the grass.

Environmental Landscapes has been here this month to take care of some project work for us. We are adding a much needed drain and doing some prep and sod work on #5 where excessive shade has thinned the turf along the tree line. They will also be laying sod over the area on #10 right of the fairway bunkers where a stump was removed. We had hoped to have them do even more work around the course, but that has been delayed until a later due to scheduling conflicts.

We have been able to get various applications made as needed to the turf. Other work that we have been able to accomplish includes:

- Aerifying the tees
- Topdressing and verticutting the greens
- Fertilizing the fairways and weak high traffic areas in the rough

We have also been spreading a lot of mulch around the course and have added some new mulch areas on #14 & #18.

**June Plans**

June will be a busy month for the maintenance staff. We will be getting ready to host the First Tee National Championship June 21-24. Lots of detail work to do to show off the Walker Course and Clemson to these young golfers from all over the country.

June is also the month that we aerify the course. We will be closed June 28-July 2 to aerify greens, tees, and fairways. This is a week later than normal due to the First Tee. Hopefully the weather will cooperate and we will have a nice dry week to complete this important work.
