The foregoing restriction does not apply to a transfer that occurs by operation of law (e.g., bankruptcy; corporate reorganizations and consolidations, but not including partial asset sales). Notwithstanding the foregoing, Contractor may assign monies receivable under the Contract provided that the State shall have no obligation to make payment to an assignee until thirty days after the Contractor has made the applicable changes in the University’s electronic payment system (not the assignee).

AUTHORIZED AGENT: All authority regarding this procurement is vested solely with the responsible Procurement Officer. Unless specifically delegated in writing, the Procurement Officer is the only government official authorized to bind the government with regard to this procurement or the resulting Contract.

BACKGROUND CHECK: If Contractor must bring one or more of its employees onto the University campus or other property in order to perform a service, Contractor is required to conduct a criminal background check on said employee(s) prior to bringing or sending the employee(s) to the University campus or other property. Contractor agrees that any employee with a criminal history that Contractor reasonably believes poses a threat to property or persons, will not be brought or sent to the University campus or other University property. Contractor agrees to impose this same criminal background check requirement on any subcontractors used by Contractor to fulfill its responsibilities under this Contract. University reserves the right to verify compliance by Contractor upon request.

BANKRUPTCY: (a) Notice. In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish written notification of the bankruptcy to the University. This notification shall be furnished within two (2) days of the initiation of the proceedings relating to the bankruptcy filing. thereof; (ii) method of shipment or packing; place of delivery; (iii) description of work to be performed; (iv) time of performance (i.e., hours of the day, days of the week, etc.); (v) or place of performance of the work.

(b) Adjustments of Price or Time for Performance. If any such change increases or decreases Contractor's cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made in the Contract price, the delivery schedule, or both, and the Contract modified in writing accordingly. Any adjustment in Contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this Contract. Failure of the parties to agree to an adjustment shall not excuse Contractor from proceeding with the Contract as changed, provided that the University promptly and duly makes such provisional adjustments in payment or time for performance as may be reasonable.

(c) By proceeding with the work, Contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

(d) Time Period for Claim. Within 30 days after receipt of a written Contract modification under paragraph (a) of this clause, unless such period is extended by the Procurement Officer in writing, Contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar Contractor's claim unless the University is prejudiced by the delay in notification.

(e) Claim Barred After Final Payment. No claim by Contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this Contract.

CHOICE-OF-LAW: Any disputes, transactions, claims, or controversies relating to, arising out of, or contemplated by the solicitation or Contract, and all the rights and obligations of the parties shall, in all respects, be interpreted, construed, enforced and governed by and under the laws of the State of South Carolina, except its choice of law rules.

Contractor agrees to implement physical, electronic, and managerial safeguards to prevent unauthorized access to Confidential Information.

(b) Immediately upon expiration or termination of this Contract, Contractor shall, at University’s option: (i) certify to University that Contractor has destroyed all Confidential Information; (ii) return all Confidential Information to University; or (iii) take whatever other steps University requires of Contractor to protect the Confidential Information.

(c) University reserves the right to monitor, audit, or investigate the use of Confidential Information collected, used, or acquired by Contractor through this Contract.
