

REGULATIONS FOR PUBLIC USE OF THE CLEMSON EXPERIMENTAL FOREST

**THE PUBLIC IS INVITED TO PURSUE THE FOLLOWING RECREATIONAL
ACTIVITIES ON THE FOREST:**

- 1. Picnicking (no reservations), hiking and nature enjoyment.**
- 2. Horseback (Current coggins test required) and bicycle riding on designated forest roads and trails except those restricted to foot travel only. No horses allowed in developed picnic areas.**
- 3. Hunting and fishing except where specifically prohibited. Clemson University lands within the Issaqueena Wildlife Refuge for Teaching and Research are permanently closed to hunting. Motorboats on Lake Issaqueena shall not exceed 5 m.p.h. - NO WAKE. All South Carolina laws apply.**
- 4. All vehicles are confined to the main roads. Speed limit on the Forest is 15 mph.**

THE FOLLOWING ACTIVITIES ARE STRICTLY PROHIBITED:

- 1. Hunting or trapping on Clemson University lands in the Issaqueena Wildlife Refuge for Teaching and Research. Wildlife research is in progress in this area; therefore, no guns or archery equipment are allowed. Dogs must be leashed and or under the demonstrable control of the owner at all times.**
- 2. Camping.**
- 3. Fires, except in structures provided. Extinguish all fires before leaving.**
- 4. Trespassing on specific areas designated by signs or barricades as closed to the public.**
- 5. Diving, swimming or sliding from, on or around the ISSAQUEENA DAM.**
- 6. Recreational activities around barns, feed lots and in pastures or cultivated fields and other areas as posted.**
- 7. Motorized vehicles except on established roadways.**
- 8. Unauthorized motor vehicle use on roads closed by barricades or signs. The Issaqueena Lake road is closed to motorized travel from November 1 to March 15.**
- 9. Possession or consumption of alcohol, beer, or wine in all areas.**

All users are responsible for the safety of their person and property while on the Forest. Entry onto Clemson University properties constitutes consent to an inspection and search of the person and any vehicle, trailer, conveyance or container.

Persons apprehended for acts of arson, vandalism, littering, cutting or removing trees, shrubs, or other natural or man-made objects will be prosecuted.
