171 Old Cherry Rd
Clemson, SC 29634**

Name _____

Mailing Address _____

City, State _____

Zip _____

Phone _____

Quantity _____ x \$25 = Total amount enclosed \$ _____

Your Soil Sample Mailer has arrived. It's time to start growing!

This soil sample mailer will allow you to mail a sample of your home lawn and/or garden soil directly to the lab from your home mailbox or local post office.

Within 10 days of receiving your soil at the lab, you will receive in return a report including your results and lime and fertility recommendations for your home lawn and/or garden.

The cost of the mailer is \$25.00 and includes a soil sample bag, information and instruction form, and a postage paid mailing envelope.

(The mailer is provided for your convenience in shipping and handling; however, your soil sample may instead be submitted through your local county Extension office for \$6.00)
