SOUTH CAROLINA SEED CERTIFICATION

Important! To be eligible for certification; foundation or registered seed must be planted. A bill of sale, invoice or documentary evidence must accompany the application and provide evidence of the source, quantity, and class of seed planted.

A certification label (tag) must accompany each seed lot submitted with this application. Growers planting their own registered seed for certified production must show the lot numbers of seed planted.

1. I hereby apply for inspection of the crops listed on this application. My signature to this application is affidavit to the following:
 - a. That information submitted for verification of seed eligibility represents the total amount of seed used and that only the seed verified as the eligible seed source was planted in the field(s) described on the application.
 - b. That all equipment involved in planting, harvesting, conditioning or other handling of said crop(s), was or will be adequately cleaned to maintain purity of the seed.
 - c. That the identity of the seed will be maintained from harvest time to the time it leaves my possession through the use of an identification system as indicated by the S.C. Seed Certification Standards.
 - d. That I and/or other responsible for conditioning the seed are familiar with and will draw samples from the conditioned seed in accordance with approved sampling procedures in S.C. Seed Certification Standards.
2. Did the land on which this crop is planted meet land requirements specified for the crop in the S.C. Seed Certification Standards? Yes____No____
3. List the crops and varieties grown on the field(s) in the previous year. _____
4. Distance of crop to be certified from fields of same crop not to be certified.

5. Give the name and address of the person or firm who will condition this seed.

6. Give the name and address of the person responsible for insuring the seed conditioning duties required by S.C. Seed Certification standards are performed.

7. If this application is accepted, I hereby agree to abide by South Carolina Certification Standards
