Quality Assurance Program Application

Name of Applicant:	County:
Address:	Telephone:
Directions to home or office:	
Directions to field(s) to be inspected:	

A map is desired if several fields are involved. If contract growers are involved provide a separate listing giving names, addresses, telephone numbers, varieties, and acreage each grower has to be inspected.

Important! To be eligible for the Quality Assurance program documentary evidence of the source and quantity of seed must accompany the application.

1. I hereby apply for the inspection of the crop(s) listed below. My signature to this application is affidavit of the following:
 - a. That the information submitted for verification of seed eligibility represents the total amount of seed used and that only the seed verified as the eligible source was planted in the field(s) described on the application.
 - b. That all equipment involved in planting , harvesting, conditioning or other handling of said crop(s), was or will be adequately cleaned to maintain purity of the seed.
 - c. That maintenance of the identity of the seed will be documented from harvest until it leaves my possession.
 - d. That I and/or others responsible for conditioning the seed are familiar with and will draw samples from the conditioned seed in accordance with approved sampling procedures.

Crop(s)	Variety	Source of Seed	Previous Crop	# Acres	# Fields
