

MEMORANDUM

To: Interested Parties and Members of the Public

From: Jerry Moore, Department of Pesticide Regulation

Subject: FOIA Requests and the South Carolina Family Privacy Protection Act.

Under the South Carolina Family Privacy Protection Act (SC Code Section 30-2-10 et seq) of 2002, no person or private entity shall obtain or use personal information obtained from a state agency for commercial solicitation directed to any person of the State. The agency is also required to notify all requesters of records that obtaining or using them for such commercial solicitation is prohibited and is a violation of the law.

Before we can release the information you have requested, we must ask that you sign and return this memorandum.

Please note that information directly related to an ongoing investigation cannot be released until the investigation is completed and closed. After an investigation case file has been closed, the FOIA request will then be filled as soon as possible.

There are no charges for FOIA requests for less than 50 pages of material or information on a single case file. For large requests, a charge may be applied equal to hourly salary of the lowest paid employee qualified to locate and produce the requested documents.

Requests can be faxed or returned by mail or email to:
