ALCOHOLIC BEVERAGE POLICY

Approval to serve alcohol at any event at the Sandhill Research and Education Center (Sandhill REC) must be obtained by request in writing to: Director, Sandhill REC/CIECD, P. O. Box 23205, Columbia, SC 29224-3205

Please reference the following event information in your letter: Name, Event Date, Number of Guests, and rental area (i.e., Lake House, Grounds, etc.). Once approved, the Director’s office will forward a signed copy of the letter to accompany your Rental Agreement.

The following guidelines have been adopted to govern events where alcoholic beverages are served or provided on Sandhill Research and Education Center/Clemson University property. These guidelines apply to all events at the Sandhill Research and Education Center, regardless of whether the event is sponsored by a University unit, external entity or private individual. Strict adherence to these guidelines is required.

1. **Check identification.** The rental client must check for proper identification and reject any questionable forms of identification. (The legal drinking age in South Carolina is 21.)

2. **Refuse to serve intoxicated guests.** If a participant or guest appears to have exceeded his or her limit, additional alcohol must not be served to that person and a reasonable effort should be made to arrange for a safe trip home.

3. **Provide a designated driver or shuttle service.** Event sponsors should establish procedures to provide intoxicated guests or participants a ride home.

4. **Provide non-alcoholic beverages.** There must be parity between the quantity and variety of alcohol and non-alcoholic beverages.

5. **Serve food.** When alcohol is served or provided at an event, there must be food available.

6. **Do not permit self-service of alcoholic beverages.** Event sponsors should serve or hire bartenders to serve alcoholic beverages in order to limit the size and number of drinks being served and to spot those who are drinking too much.

7. **Post drinking restrictions in prominent places.** Notices informing guests as to legal drinking age should be conspicuously posted where alcohol is served.

8. **Restrict alcohol to a controlled area.** Event sponsors must take adequate steps to ensure that alcoholic beverages are not allowed outside the pre-determined boundaries of the event.

9. **NO references to alcohol in advertisements.** Advertisements or invitations to events where alcohol is being served should emphasize the nature of the event and not the alcohol.

10. **Limit hours of alcohol service.** Alcohol service must be discontinued at a reasonable time, at least one hour before the event is scheduled to end.

11. **The SALE of alcoholic beverages is PROHIBITED.**

12. **No alcohol will be served or consumed at any event open to the public.** Observation of consumption of alcoholic beverages will result in immediate cancellation of the event.

13. **Liability insurance is required.** Alcohol and general liability insurance available through TULIP.
