

CALL FOR ABSTRACTS

THE EIGHTH BIENNIAL STATEWIDE CONFERENCE on water resources in South Carolina will be held October 16-17, 2024 at the Columbia Metropolitan Convention Center in Columbia, SC. The conference's purpose is to provide an open forum to discuss current water policies, research projects, and water management in the state.

- Individuals interested in presenting should complete the “Abstract Submission” form at www.scwaterconference.org
- Applicants will be notified of the selection committee's decisions in June 2024.
- Manuscripts are NOT required.
- Oral presentations at the conference will be limited to twenty minutes each, with an additional five minutes allowed for questions.
- Posters are invited from professionals and students, and students are eligible to participate in The Paul A. Conrads Student Poster Competition for cash prizes.
- Proceedings from the previous conferences can be accessed through the “Past Proceedings” link on the conference website at www.scwaterconference.org.

SUGGESTED TOPICS INCLUDE

Water Policy and Planning	Climate, Weather, and Stormwater Issues
Surface Water And Groundwater Systems	Agriculture and Infrastructure Issues
