

Transient Application Instructions

1. Click Create a New Account. If you have an existing account, skip to Step 4.

The screenshot shows a login page with a dark purple header containing "Welcome!". In the top right corner, there are two buttons: "CREATE ACCOUNT" and "LOG IN". The main content area has a message on the left: "Please log in to continue your online application." On the right, there are input fields for "Email" and "Password", a "Forgot your username or password?" link, a "Log In" button, and a "Create a New Account" button. A red arrow points to the "Create a New Account" button. At the bottom, there are links for "Contact our Help Desk", "Privacy Policy", "Terms of Use", and "CollegeNET Corporate".

2. Fill in the blanks with your personal information and click Create Account.

The screenshot shows the account creation page with a dark purple header containing "Welcome!". The page is divided into two columns. The left column contains instructions: "Create your account to get started on your application. You must use your full legal name. Be sure to check the spelling and use of upper and lower case letters. Please do not use all capital letters. Passwords must be at least 8 characters. If you require help, contact our [Help Desk](#)". The right column has two sections: "Account Email/Username and Password" and "Personal Information". The "Account Email/Username and Password" section has input fields for "Email Address" (with "user@example.com" entered), "New Password", and "Confirm Password". The "Personal Information" section has input fields for "First Name", "Last Name", and "Date of Birth" (with "MM/DD/YYYY" and a calendar icon). A red arrow points to the "Create Account" button at the bottom right.

3. Verify your email.
