QUESTIONS ABOUT SEPEEG 2019-ANSWERED:

There are NO talk slots available, and the enthusiasm for giving talks is greatly appreciated! A full program listing talks, lightning talks and posters will be given out at registration and is posted on the website. If you have not done so, please email your talk ppt. file to 2019_SE.op7080it18vq5z@u.box.com

Registration opens at 4:00pm Friday, at Kresge Hall at the Clemson University Outdoor Lab. The gate at the road will be locked (although it can be electronically opened for exit) at midnight. If you cannot arrive until after midnight, please email Margaret (mptacek@clemson.edu) so we can make arrangements to let you in.

1. Friday will be hot (high in the 90s) but a cold front is expected by Friday night, so bring a sweatshirt or jacket for Saturday night/Sunday morning (highs in mid-70'sF, lows in the 60'sF and moderate humidity, OH PLEASE let it be true!).
2. No linens are provided in the group cabins, please bring twin bed sheets or your sleeping bag and pillow plus your towel. Suite bedrooms DO have linens, towels and pillows provided.
3. Per cabin of 10 twin beds: 2 sinks, 1 shower, 1 toilet. You will want to coordinate with your roommates for shower time.
4. Bring your flashlight, it helps when stumbling back to your cabin in the dark.
5. And speaking of stumbling…the alcohol policy for the Outdoor Lab has tightened up a bit, NO ALCOHOL IS ALLOWED IN CABINS. We will have plenty for imbibing at the Pavillon Socials and poster session, so you won’t need to bring any. You will need a picture ID with your birthdate in order to receive a wristband marking you of legal drinking age. Thanks for your cooperation.
6. The Outdoor lab closes its gates at midnight (you are not locked in, there is an electronic exit mechanism) and they ask that guests refrain from leaving and returning after that time. If you leave the lab after midnight, you will be locked out until 6:00 am the next morning.
7. Wi-Fi is not available in cabins, but it is all set at Kresge Hall. Sometimes you can get Wi-Fi in the general area, but it is not guaranteed. Login info will be posted at registration.
8. Sorry, no pets
9. Registration will be at Kresge Hall until 8pm, then it will be at the Pavillon (bonfire)
10. Park --> Kresge Hall/Check-in --> Unpack --> Pavillon bonfire
11. All cabins are same-sex, and all roommate requests were granted to the best of our abilities
12. This year’s SEPEEG steel mugs are beautiful… and testing shows that they work great for warm and cold beverages. Please try to use your mug so we can cut down on trash. The folks in the kitchen will be happy to clean your cup for you if you want, or of course you can do so yourself in the restrooms in Kresge Hall, a sink at the Pavillon or in the cabins.
13. We will have a box to recycle your nametag and lanyard for the next lucky group hosting SEPEEG.
14. Fishing is not permitted directly at the Outdoor Lab but there is a fishing dock a short walk/bike from the camp. You will need to have a SC Fishing License to fish.
15. Seating for the entire meeting will be at long tables perpendicular to the podium and screen. The same seating will be used for all catered meals, served buffet-style.
16. This is NOT a formal meeting; it is super fun and relaxed... enjoy the excellent science and fresh air!
17. Have a safe trip to Clemson, and please email Margaret Ptacek (mptacek@clemson.edu) if you have any questions or encounter any travel problems!
