Clemson Student Veteran Center Locker Contract

This document lists the guidelines for renting a Wall Locker in the Clemson Student Veteran Center. Failure to follow these guidelines may result in disciplinary action up to and including the loss of locker rental privilege, removal from the Student Veteran Center, loss of Tiger 1 Card Access, and referral to the Office of Community and Ethical Standards. Student may be held financially responsible for any incurred losses or damages. Locker rentals are for enrolled students only and access expires once student graduates or is no longer enrolled at Clemson University. Neither the Clemson Student Veteran Center, nor the Office of Military and Veteran Engagement is responsible for any damage or theft of items in an individual’s locker. You are responsible for the upkeep and security of your items.

By signing below, I, __________________________, confirm that I have read, understood, and agree to the above and the following:

1) I will not keep any weapons, alcohol, drugs, or other illegal items in the locker.

2) I am responsible for returning my assigned lock and key (including colored key tag) at the end of the semester, unless I arrange to renew my lease.

3) If I no longer need to rent a locker, I will return the lock and key to allow other student veterans to use the locker.

4) If I lose my lock or key, I will pay $5 cash to the Vet Center Student Assistants so they can replace the lock and key. I may then be issued a new lock and key, if available.
