Accessing your Terra Dotta Application

If you have already begun a Renewal or New Program Proposal application, you will need to login to the Terra Dotta system. To login, go to https://www.clemson.edu/studyabroad/

On the left, click “Login”. Enter your Clemson username and password.

In the black bar on the top, click on “Applicant”
In the drop-down menu, click “My Applications”

That will take you to a screen similar to this:
Find the term of the application that you wish to open (example: Summer, 2018). Under that heading you should see your current application. Click on the application to open it.
Your application will look similar to the screen below. To complete all Questionnaires, Signature Documents and Recommendations, click on each one and complete the required information. Click Submit when the form is complete. You will see a check mark on your application after an item has been completed.
