To Get Coursework Approved for Study Abroad:

1. Complete the "Request for Approval of Courses to be Taken Abroad" form (CWAF)
2. Have advisors on this list approve course equivalencies for courses taken abroad.
   **NOTE:** Your academic advisor can only approve courses for general elective credit, not for a specific requirement (ex: SOC 2999, a Sociology elective, needs a signature from Dr. Holland).
3. Courses that have been pre-approved already are listed on Clemson’s TCEL
4. If you receive financial aid, meet with the Financial Aid Office and provide them a copy of your CWAF. Financial aid **will not be released** until the Financial Aid Office is aware of your study abroad.
5. Submit the CWAF to Clemson Abroad **prior to departure**

**To transfer credit from studies abroad back to Clemson:**

- Request your hardcopy transcript be mailed to Clemson Abroad, E-301 Martin Hall
- Courses must have minimum grade of ‘C’ and be approved
- Grades do not transfer, only the hours
- If planning to attend graduate or professional school:
  - Policies may differ to transfer graduate credit; check with your advisor and the Graduate School
- Schools may require an original copy transcript from your program
