**Degree:** Bachelor of Science **Effective Catalog Year:** 2019-2020

**Additional Information:**

**Description:**

**Summary/Explanation**

This request refers only to the Biological Sciences Entomology Emphasis Area. We were recently asked to eliminate this degree because of its low enrollment. At the same time, Plant and Environmental Sciences has asked to take it over and increase its enrollment. PES will soon be submitting a proposal for a PES Entomology degree, and we are in favor of this transfer of responsibility.
